This week's Torah portion is chock full of rules for living...and the genius of singer/songwriter Elana Jagoda is that she took all those rules and made them rhyme. And rock. Give Kedoshim a listen and we promise, you won't soon forget what's holy and what's not.

This is Episode 30 of the weekly Torah cartoon from G-dcast.com. Each week, a different storyteller - some musical, some poetic, some just straight-up, tell the story of the current Torah portion...and then we animate it!
