You probably already know that the Torah isn't all rainbows and angels. Mirroring the angry tone of this week's Torah story, G-dcast gets kinda dark and cranky for a change. Jeremiah Lockwood sets the scene with moody guitars and a voice that draws you in...to vengeance.

This particular Parashat haShavua (פַּרְשַׁת הַשָּׁבוּעַ or "weekly Torah portion") video is Episode 33 from Parshat Bechukotai (בְּחֻקָּי "by my decrees" Leviticus 26:3–27:34). Each week, a different storyteller - some musical, some poetic, some just straight-up, tell the story of the current Torah portion...and then we animate it!
